No.54.-U.13/15/2017-18/ (C) -SMC.
The Director of Insurance Medical Services,
ESI Scheme, Thycaud,
Thiruvananthapuram.14.

Sir,
Sub: Deduction from On Account Payment due to State Government. - reg.
Ref: DIMS It no. S2-18149/2017/DIMS dated 03.01.2018.

I am to invite your attention to the Hqrs. Letter No. U.16/30/42/2011-Pro.cell dated 05.11.2015 (copy enclosed) addressed to Director of Insurance Medical services also, on "Modified guidelines for empanelment of Tie-up Hospitals". As per para 11 of the said Hqrs. letter "All referrals where Super specialty procedure are not specified on the referral letter and patients are referred only for supportive care / terminal care in any discipline & where patient does not need any active intervention by the super specialist, should be considered as 'Secondary care' and all such bills should be paid by DIMS or if paid by SMC, then deduction for the expenditure should be done from the future "On Account" payments, due to the state." Hence, decision of deducting the amount from the next 'On Account' payment due to State Government is not a unilateral decision and what was done by this office is in order.

This office has no objection to depute your representative to this office to fulfill your requirement. Paid vouchers can not be forwarded to your office due to reasons thereof.

Encl : as above.
