

In the wake of Monsoon Flood Relief in the State, we propose the following line of actions with immediate effect.

- All the staff are instructed to participate in the medical camps either conducted by the Department or Health Services in connection with Flood relief.
- Necessary medicines can be purchased by utilizing fund allocated to the Task Force of the concerned Hospital.
- Institutions that are seriously affected or likely to be submerged are instructed to report immediately to the State Directorate.

Employees who cannot reach their institutions for duty can report to the Hospital Superintendents /Regional Deputy Directors and they are instructed to submit a report to the Directorate immediately.
